

# Same Day Manufacturing of Component Spiral Wound Gaskets

Customers will benefit from local fabrication and supply of special non-standard spiral wound gaskets

- Priority design, manufacturing and shipping (Prince George, VA) of emergency or short lead-time spiral wound gaskets
- Eliminate reliance on Houston based manufacturers:  
Time Delay & Associated Costs

- Close tolerance/high precision manufacturing
- Complete control over gasket ID, OD, winding density (stiffness), spot weld spacing & weld heat
- Exacting design, manufacturing, quality & packaging standards

- **Materials:**  
**Fillers:**
  - Industrial Grade Flexible Graphite
  - Nuclear Grade Flexible Graphite
  - Expanded PTFE**Metal:**
  - 304SS
  - 316L SS
- **Size Range:** 2" ID - 24" ID
- **Nominal Thickness:** 0.125", 0.175"
